## Talk About It:

These questions can guide a conversation, an artmaking activity, or serve as a call to action in your neighborhood!

1. What makes each member of your family different and special?
2. What makes your friends different and special?
3. What are some things you can do at home to spread kindness to:
  - a. Your family?
  - b. Your friends?
  - c. Your neighborhood or community?

## Creative Challenges: Make Your Own Rainbow

1. **Eat the Rainbow:** Some of my favorite foods are the colors of the rainbow!
  - a. Can you make a meal or a snack and eat a bite of every color in the rainbow?

2. **Build a Rainbow:**

- a. Can you find objects in your home to make your own rainbow?
- b. Look at the one I made in the art studio: What sorts of things do you see?

### 3. Make a Rainbow:

- a. Prisms are great tools to capture the rays of the sun and create dancing rainbows in your house.
- b. You can make a rainbow without using a prism! All you need are these simple things:
  - i. A mirror
  - ii. A container of water
  - iii. A flashlight
  - iv. A piece of white paper
